- Withhold any information on ingredient lists.
- Use token amounts of ingredients.
- Use animal by-products or animal testing.

Recyclable Packaging

No Animal Testing

Want to be extra careful about what you put on your skin? So does derma e®.

If you have ingredient concerns due to allergies or lifestyle please see below or visit our website for more information.

🌿 Paraben-free

In response to consumer demand, every product in the derma e® line is paraben-free. derma e® uses advanced preservative systems that are recognized as safe by the natural products industry.

🌿 Gluten-free

derma e® recognizes that some individuals with gluten intolerance may have an allergic reaction when gluten is applied topically. Most derma e® products are gluten-free, however the following may contain remnants of gluten such as oat extract:

- Tea Tree and E Deep Cleansing Shampoo with Jojoba Oil (Item #9200)
- Stop Itch™ (Item #8300)

🌿 Fragrance-free

derma e® products are designed to be as gentle on the skin as possible and many have no added fragrance. However, some derma e® products do contain essential oils known for their fragrance as well as their therapeutic properties. Individuals who are sensitive to even botanical essential oil fragrance should check the ingredients on our packaging or refer to the comprehensive list in our Information Center at www.dermae.net.

🌿 Vegetarian/Vegan

The derma e® Natural Bodycare line of 80+ products is cruelty-free and 100% vegetarian, and most of our products are suitable for vegans. Customers who choose to avoid honey or beeswax should be aware that the following products may contain either of these two ingredients:

- Anti-Aging Moisturizing Complex, SPF 15 (Item #0405)
- Sea Kelp and Herbs Face/Body Exfoliating Scrub (Item #0615)
- Anti-Ache™ Herbal Pain Relief Crème (Item #8400)
